ONLINE REGISTRATION

Easiest & most stream-lined way to sign up!

You can find all your schedules and team info on our DashMobile, which can be found at www.shorelinesoccer.com.

DashMobile allows coaches, team leaders, players and parents to login via the internet, manage their teams, make on-line payments, and message their teammates from the message center.

DashMobile has been developed with customers in mind. All the hassles of sending out game reminders, creating e-mail lists, and keeping track of money can be done through DashMobile. Team managers are able to click on team members and see their contact information. Parents can access their children's schedules, make on-line payments and see updated statistics. Once your team is registered for the session your information will be available on-line.

FIELD RENTALS

Skills Training, Lacrosse, & More!

Whether you're looking to work on skills, host a practice, or play with a group of friends, Shoreline has a space that's right for you. Our multiple fields and training areas come in different sizes and are all turfed for your safety. Flats or turf soled shoes are required for play and training in all areas of Shoreline. Field rental is available for practice and other approved activities. Volume discounts are available.

Field rental subject to availability.

HOUSE TEAMS

New to the area, no team to play on?

We offer house teams for all age groups and leagues. If you don't have a team to play with, we will put you on a team with other players that are also looking. House teams give kids and adults a chance to play that they might not have otherwise. They are not always the most competitive teams but if you're looking for an opportunity to play and to make some new soccer friends, maybe a house team is a good fit for you!

SKILLS INSTITUTE SOCCER LEAGUE

Designed for girls and boys ages five to seven, SISL provides kids with the opportunity to develop as players in an age-appropriate game environment. Each week teams play small-sided games that are coached by parent volunteers and guided by an instructional coach. No scores are kept or standings posted. The focus is on building soccer skills, applying those skills to team play, learning about sportsmanship and teamwork and, above all, having fun.

SISL will also help your child to become a strategic thinker, a collaborative teammate, and develop a respect for the game and all those involved.

These new SISL leagues will consist of one game every Saturday morning for seven weeks. Our goal is to give anyone playing outdoor rec soccer the opportunity to continue playing throughout the winter months. **Please go to the Lil' Kickers link at shorelinesoccer.com for more information.**

Lil' Kickers, SISL, Heart Soccer Academy and West Side LAX run their own programs, schedules, and/or leagues.

Please go to shorelinesoccer.com for the link to Lil' Kickers for information on Lil' Kickers and SISL.

Head to www.westsidemilax.com and www.heartsocceracademy.com for up-to-date information on their programs.
